Electronics

As of Jan. 1, 2011, state law prohibits electronics from being disposed of as trash! Go to www.acua.com/electronics for recycling information.

Rechargeable Batteries

Bring rechargeable batteries to ACUA's household hazardous waste drop-off days. Many national retailers also accept rechargeable batteries for recycling. Visit <http://www.rbr.org> to find a participating retailer near you. *Alkaline batteries can be put in the trash since they contain minimal or no mercury.*

Please check the web at www.acua.com, local newspapers or the Public Access Cable Channel for all holiday collection changes.
