

Volunteers in Medicine

"neighbors caring for neighbors"

Do you need medical care?

VIM is a free health clinic for people who cannot afford health insurance. VIM is not a walk-in clinic; you must register with us. VIM provides comprehensive free care, prescription assistance and specialty care when available.

To become a VIM patient all you need to do is complete an application, provide a photo ID, and proof of income for your household. Detailed below are our general income guidelines. Stop by the clinic or call us if you have any questions.

Patient registration documents are available on our website.

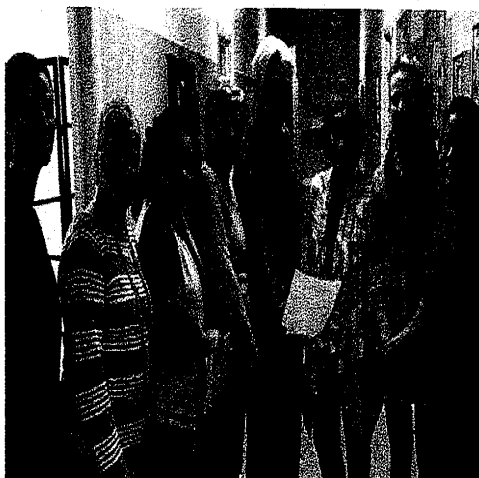

# of People in household	Annual income
1	\$37,500
2	\$50,700
3	\$64,000
4	\$77,000

Looking For A Rewarding Experience?

Volunteering with us is a great way to show that you care about the underserved in South Jersey.

We need Doctors, Nurses, Nurse Practitioners and Social Workers; volunteers to help with registration, scheduling, filing, and data-entry. We need greeters and receptionists and even people to help with Fundraising. VIM provides malpractice coverage.

Each of our VIM Clinics relies on a team of approximately 75 volunteers. Most commit to one four hour shift per week, but some only come once a month. We will work with you to find the right balance for your life and our needs. **Volunteer applications are available on our website.**

You Can Make a Difference!

VIM's Cape May County clinic has been in continuous operation since 2001; Atlantic County since 2017. Currently, approximately 700 people consider the VIM clinics their primary care doctor and medical home.

Most VIM patients are employed, but don't have health insurance through their work. They make too much for Medicaid but not nearly enough to afford premiums, co-pays, and deductibles.

VIM does not receive reimbursements from insurance companies, nor do we receive any state or federal funding. We rely completely on the generosity of individual, corporate and foundation donors. Your gift to VIM makes it possible for us to provide free healthcare to our neighbors in need.

Please consider a gift today. Donate safely online or mail checks payable to:
